

OK pin fans, here is my annual "best of" list. These are the 2010 DI pins that I feel were a cut above the rest. I will not release a "worst of" list since it is not my intention to insult anybody. If you are interested in finding out how your pin ranked or if you are interested in developing a killer pin for next year, please contact me. My offer extends to all Affiliates. I realize that some Affiliates do not consider pins a high priority and others cannot afford elaborate pins.....I may be able to help you! I have many thoughts and ideas about how to create smaller and less expensive pins that may be next year's "hot" trader. Design, theme, and execution are often the key. PLMK
